

Learning with Time

We proudly announce a tie-up with "Japan Education Center And Information" for their International Mode Of Education, to make schooling more enhanced and enjoyable, from the next academic year.

G S Shetty International School

Education Beyond Excellence

Know Us

G S Shetty International School at Bhandup (W) is an ICSE affiliated school from Playgroup to 10th grade. Education with us goes beyond the realms of formal classroom teaching to equip the child with knowledge, skill-sets and develop them with good morals, ethics and traditional values, to face the future with dynamism, thereby making them assets to society. We ensure that each student is treated as a jewel in the firm belief that he or she has the potential for excellence waiting to be unearthed & polished.

Our Vision

To give world class education with values, by adopting an international curriculum supplemented with natural resources and technology-based learning.

Our Mission

- To make every child's schooling enjoyable and memorable.
- To impart quality education to every child.
- To ensure the overall development of every child, during their academic career.
- To build a healthy rapport between the school and parents with positive interactions.
- To give every child a cultured and progressive transition from a student to a matured young adult.
- To scholastically produce better citizens of tomorrow.

Our Philosophy

Every child is born free and equal. We have to mould, educate and groom them with ethics, values, culture and arm them with camaraderie, knowledge and professionalism, to make them winners in the world of international competition.

Achievements

- Entered The Guinness Book Of World Records in Skating.
- Gold Cup In National Aerobic Championships.
- Winners Of Little League Baseball Championships.
- Gold Cup In Martial Arts.

- Plantation and Gardening in the school garden
- Field Trips
- Identification of Plants
- Participation in our Mega Green Ten Thousand Project
- Visit to aquariums, farms, zoos, nature parks etc.

School-after-school Programme

In our efforts to provide the best education, we take extra care of our students on the academic front by offering them the school-after-school programme which is a wonderful mode to revise and learn lessons, for students who require the extra assistance. The facility is available free of cost. This programme reduces the burden of going for private tuition classes.

Happy Schooling

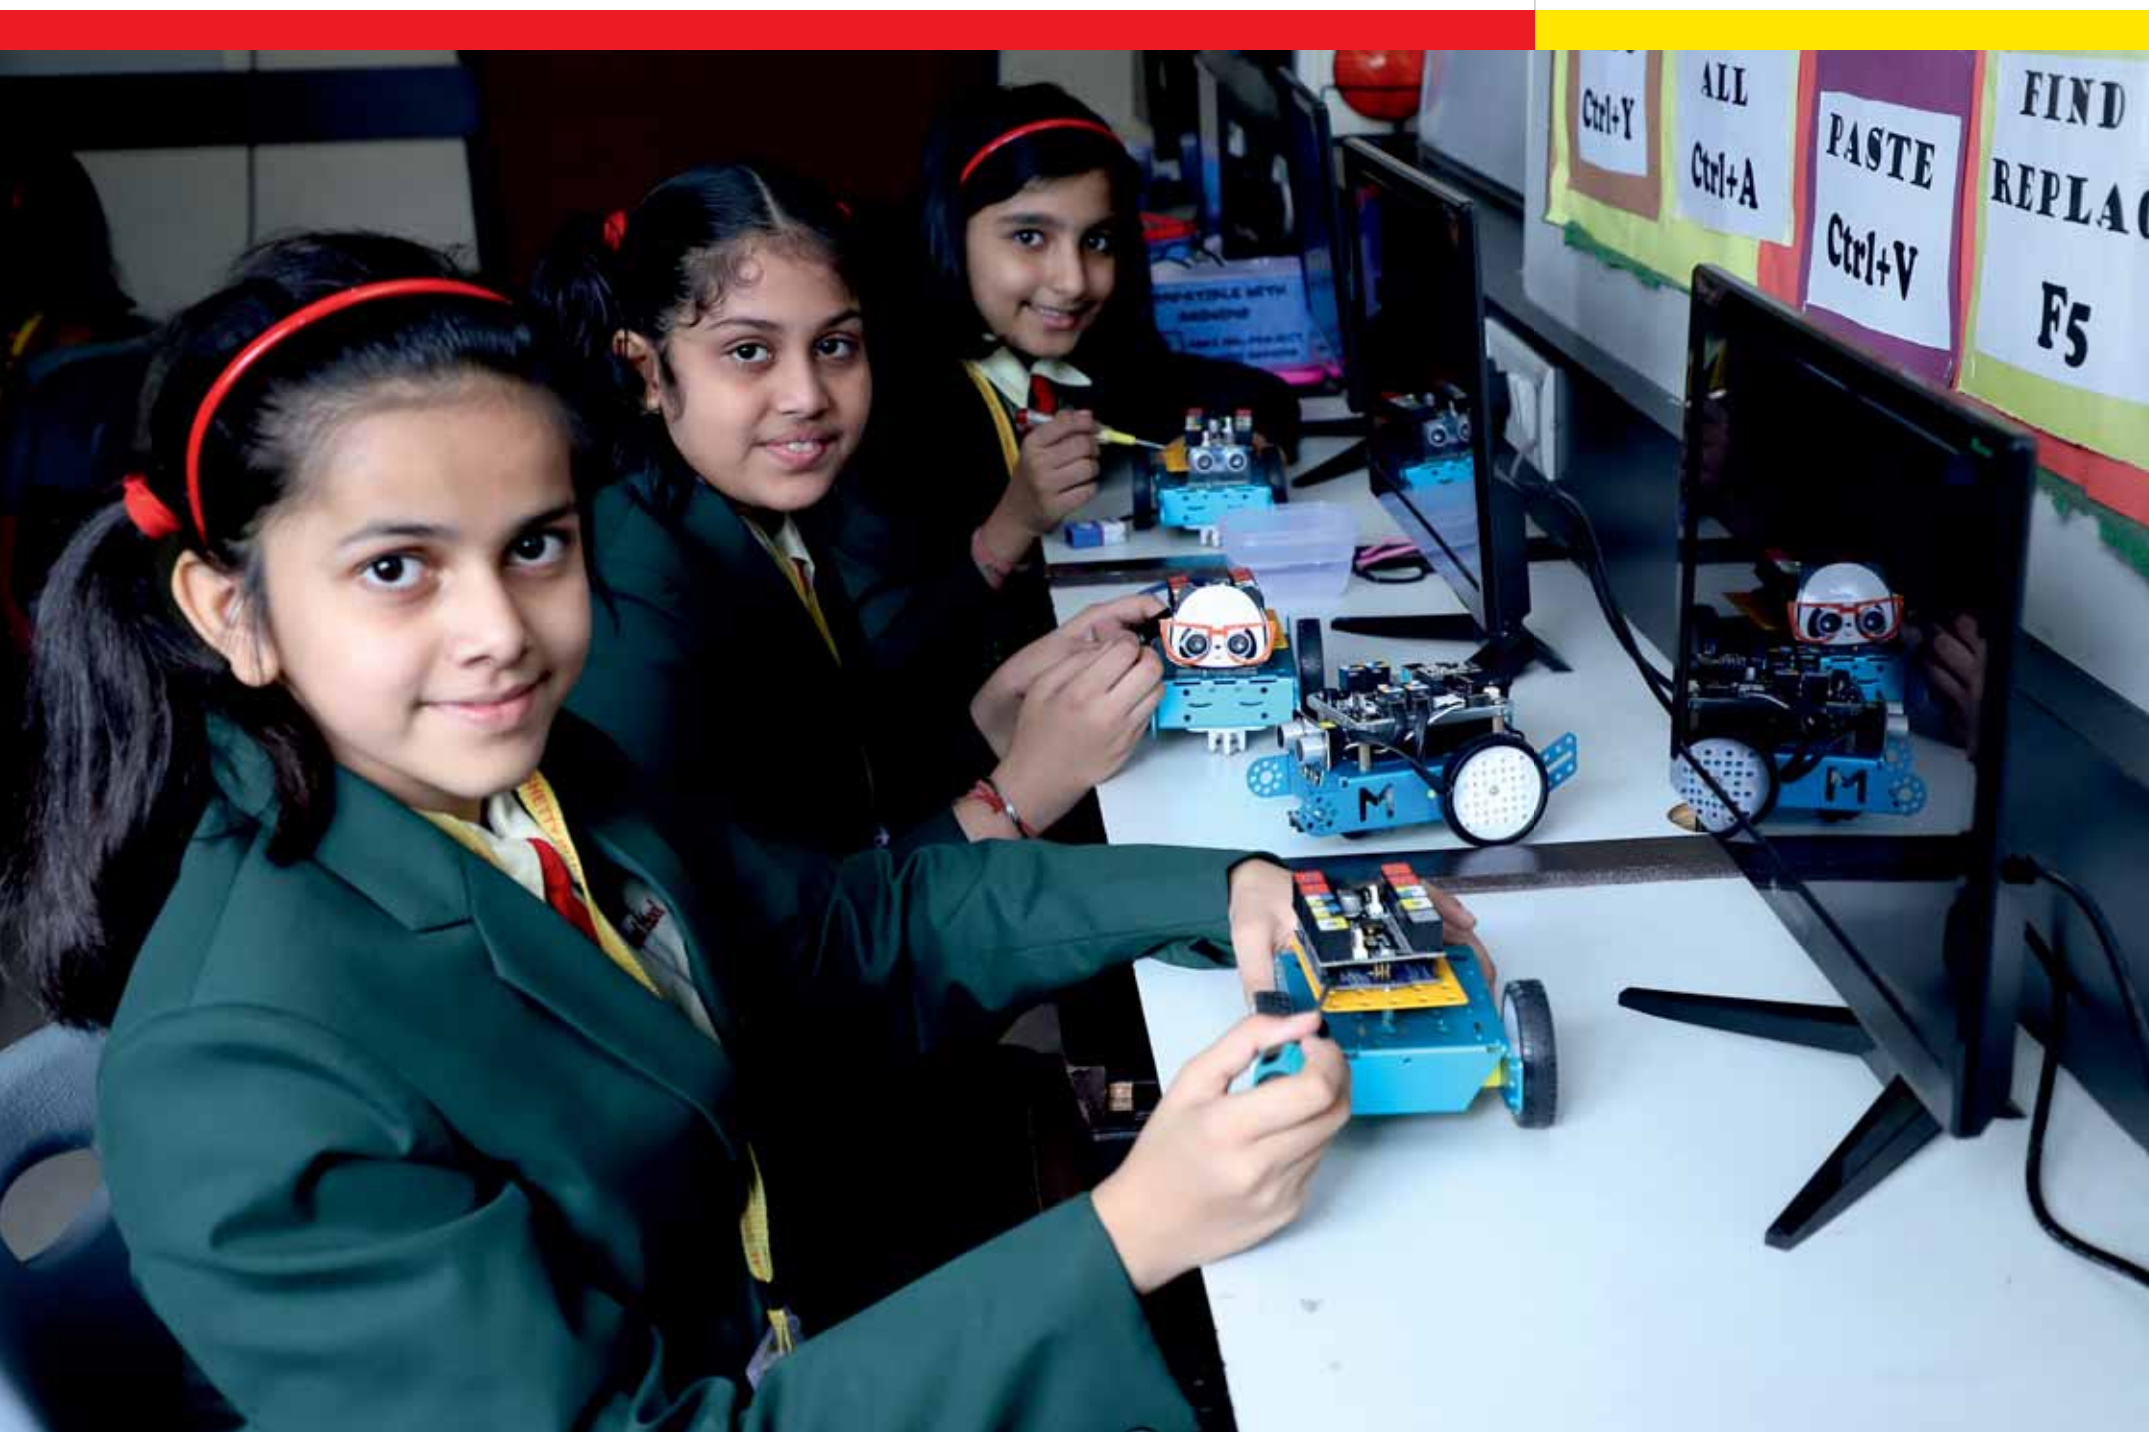

Warm-up exercises, Yoga, Meditation, pepping the students on Morals, Ethics, Culture and traditional values with a session of laughter, make children happy with Happy Schooling.

Career Focus Programmes

The programme is specifically designed to enlighten our children about their future career opportunities to be encountered.

- INTEGRATED CURRICULUM FOR IIT, ENGINEERING AND MEDICAL ENTERANCE EXAMINATIONS FROM GRADE 6th ONWARDS.
- UPSC & MPSC TRAINING FOR CIVIL SERVICE EXAMINATIONS.

Techno Learning Programme

Technological advancements are set to take a centre stage in the near future leading to drastic changes in processes and applications. Our children must have the knowledge and skill sets to face the dynamic future. To begin the process we have the following activities:

- CODING TECHNIQUES
- ROBOTICS AND DRONE ACTIVITIES
- 3D PRINTING
- LEARNING THROUGH TABLETS

Parent Involvement

To make our school education programmes more vibrant and successful we encourage parent involvement in school activities, meetings and programmes. Such interactions between parent, teacher and child are aimed towards social and holistic development of the child.

Safety & Security

- Entire campus under CCTV surveillance for enhanced security.
- Air – conditioned school buses with GPS facility and female attendants.
- Smart attendance systems linked via mobile apps.

Sports and Games

From the Director's Desk

G S Shetty International School has scaled new heights of glory with a host of achievements in academics, sports and games, with a concentration on traditional values, morals and ethics. The students have a lion's share of yoga and meditation to refresh their minds for the day's schedule.

Our latest digital teaching aids make their practical – based learning easy and interesting.

Our Happy School Concept is our unique way of making every school day an enjoyable one.

To prepare the young ones for a professional career, we have eminent trainers to navigate our students for the Engineering, Medical and Civil Services Entrance Examinations.

Workshops like Robotics, Drones, Coding, 3D Printing are scheduled programmes for the progressive benefits of the students.

It will be our constant endeavour to educate our students beyond excellence.

Happy Schooling

Sukesh Shetty

From the Director's Desk

G.S. Shetty International School, a pioneer in the field of education welcomes you to experience schooling with a difference.

Your child has the privilege of being educated from Playgroup to Post-Graduation, under the banners of "Anthayya Education Foundation Trust" and "Anthayya Education Private Limited."

With our policies of "No Bag Concept" and "No Homework Concept", your child will enjoy the freedom of fun-based learning without any encumbrances at all.

We will ensure the overall development of your child, starting with yoga and meditation, followed by periods of concentrated academics, sports, games and fun-filled activities.

New innovative concepts are in the offing to equip our students to gain an edge over the others.

G. S. Shetty International School is our dream project which inculcates innovative techniques for the complete development of your child.

With Best Regards,

Rakesh Shetty
